# **5. QUESTION TIME**

The Mayor informed those present that item 17 would be discussed in Committee at the end of the meeting. Due to the confidential nature of this item, members of the public would be excluded from the meeting.

He also reported that the County Council would be moving towards a committee system, which will mean the coalition of all the political groups. The committees are currently being worked out for next May. There is a threat to some of the capital projects, which includes the Southern Bypass. There are still issues with speeding and parking on the highway in Prickwillow Road, but it is hoped these will be improved as part of the North of Ely development.

ECDC will be considering proposals for Lisle Lane and Broad Street at the Development and Transport Committee meeting on the 14th January. The Clerk informed members that the City of Ely Council would be considering these proposals on the 13th January, and comments will be verbally reported at ECDC's meeting.
